

2000 Participating Carrier Customer Satisfaction Indexes

Listed below in alphabetical order are the household goods carriers participating in GSA's Domestic Centralized Household Goods Traffic Management Program as of the end of Calendar Year 1999. Based on surveys received from relocating Federal employees and Federal traffic managers for moves picked up and delivered during CY1999, customer satisfaction with each carrier in the program was evaluated. Evaluation of customer satisfaction is performed annually. Subject to a number of criteria agreed to by both GSA and the household goods moving industry, a carrier either received a Customer Satisfaction Index (CSI), or did not. The carriers listed below as "Unindexed" did not qualify for a CSI. The entries for the remaining carriers show each carrier's CSI. A CSI of 100 indicates average customer satisfaction. These CSI's are effective from November 1, 2000 through October 31, 2001, when new CSI's will be issued.
